

MONTMARTRE *moi*

The way locals see it.

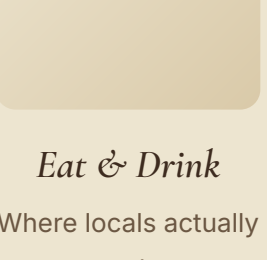

An English-language guide to Montmartre's history, food, hidden corners and practical know-how — written for travellers who want more than the postcard view.

HIDDEN GEMS

The hour Montmartre belongs only to the painters

Before the tour buses arrive, the square has a different rhythm entirely — here's how to catch it.

NEW HERE?

Start here

01

Your first 48 hours

A realistic itinerary that doesn't try to cram in everything at once.

02

Getting around the hill

Funicular, stairs, or the long way round — what actually works.

03

Where to stay nearby

Quiet streets within walking distance of everything that matters.

04

Avoiding the tourist traps

The handful of spots worth politely walking past.
